I give permission for my son or daughter(s) to participate in St. John's high school youth activities that take place within the community of Mendota. I understand that if we need to travel farther than what can be done by walking in the allotted time, my child will be transported by an approved adult driver as outlined in the St. John's Safe Child Policy or with your permission may drive themselves and siblings/friends that they have already driven to church or the event site.

Please check those transportation options that reflect your choices and sign the permission form at the bottom.

\_\_\_\_\_ My child has permission to drive themselves and siblings/friends if they have already driven together to church or off-site community event.
