Updating St. John's Directory

The office is working on an up to date directory. For the first three Sundays in May (3rd, 10th, 17th) there will be printouts in the Narthex for you to check to see if we have the correct information. Any changes can be made directly on the printout. If you are unable to check it, call the office at 815-539-5626 or email melissa@stjohnsmendota.org to make sure we have your correct info. If you do not see your information on the printout, there will be blank sheets that you can fill out. Thank you!

Hopefully by summer, we can have a new updated list of addresses and numbers for everyone.

High School Seniors & College Graduates

We would like to recognize your accomplishments by including a photo and information in the upcoming June *Eagle* newsletter.

High School Seniors: Please provide a current photo and your future plans.

College Graduates: Please provide a current photo and details regarding your degree and future plans.

Please bring the requested information to the church office by **Thursday, May 14th** (office closes at 2pm) or email it to melissa@stjohnsmendota.org. Thank you!
