

These inserts list the results of the Post-It Note exercise from the March 26th sermon series when the congregation was asked to write down their favorite experiences at St. John's on GREEN Post-It Notes, and then writing down their ideas for the next five years of St. John's on BLUE Post-It Notes. The response was wonderful and will be used to shape St. John's Ministry Site Profile.

Thank you!

 Christmas Eve Services
 Evolution of St. John's through growth, pastors, members

When the organ was "renewed" with new pipes during my brother's wedding	Lighting tree in courtyard	Confirmation Class
Christmas programs with children when small	Funeral dinners	Going to Sunday School
Helping with spaghetti dinner and washing dishes	Food packing events	Easter Sunrise Services
Painting project in 2018, painting softball field fence	Singing in Praise Band	The Singing Mothers
Wired Word Bible study	Serving as Council President	Christmas Cantatas
Adult Bible Studies/Sunday School	Bible Studies	Pastor Ziebarth
Choir participation	The 150 th Celebration was a 2-year event for some involved in preparation for July 2008! It was time the Holy Spirit was very evident as all worked together in a common goal. It was glorious. We learned so much about us and St. John's!	The service with the painting of the art that hangs in the choir area by the live artist
Praise Band participation	Quilt sale	The People
Garden bounty harvest table/produce sharing from 2022	Quilting	Songs
Feed Our Starving Children/Kids Against Hunger	Fellowship after service	People
My children and grandchildren's baptisms and confirmations	My son's baptism	Music
Sewing with the quilting ladies	St. John's Choir	Intergenerational events
Monthly young couples group	My faith growing through relationship at St. John's	Circles
Music before Christmas Eve services	My son took his first actual steps in the Parish Hall surrounded by some of my favorite members at the time. It felt like the beginning of his faith journey, and I knew he would be covered in prayer. I know, still, that I can call on members to lift him up and that brings great comfort.	My child's baptism
Candlelight Christmas Eve services 11:00 pm	I also loved hearing the faith stories from members when I served as a co-leader during Confirmation.	My first day at St. John's
Baptism of my 2 children	I love the special music we have had from our own gifted members.	Float at Sweet Corn Festival
Serving meals	I loved spending time in Bible study with fellow members.	Working with LYO Easter breakfast
The powerful singing of the congregation	I remember and loved how we were welcomed by some of the "senior" members when we first started attending.	Saturday Evening Services
Easter Service	I love when the worship is focused on the sacraments and gospel.	Enjoying all the youth activities
Christmas Eve Service		My good memories from 1988 when I became a member of St. John's with supportive members at times when I needed help. I thank God my father-in-law and mother-in-law and ex-husband guided me to join at St. John's Lutheran Church.
Serving Meals		Watching my 97-year-old father who had not been to church in decades be greeted, hugged, and loved by this congregation.
